So it's my understanding that since this was settled, they can't use this against you now.

Still, I think it wise to sign the current Conflict of Interest form (under duress) and then we fight it. Let's see what Tim says.

Bob,

Thanks. BTW, there was already a settlement on this back in 2013 (attached), which I don't know if I shared with you or not.

Hi Rob,

I just received the attached. I will need to know if the union will be able to represent me. If not, I will likely have to consult an attorney. This situation is more complex than meets the eye.

Also, do you happen to know Tim Lenz's personal email? I would prefer to discuss this off fau.edu email.

Thanks.
